Office work

- Talked to Bob Brignano about access to skyway structures through the existing Maintenance Road . He needs to work it out with MCM. Currently the establish access will be through WB 80. Met with Gary Purcell, Darrel, Mike Forner, Raj, and Amer to discuss access. We all agreed that the access will be through WB as access through MCM's wok are would be a temporary solution.
- Received an email from Amer to attend the Labor Day Work Safety Orientation , which will take place today from 8AM to 10AM at the warehouse conference room. Asked all staff that will be working Labor Day weekend attend this meeting.
- Received Structures comments for the Dumbarton 95% plans from Hazzaa. They will continue to examine the plans for more comments.
- Accepted invitation to go to Sacramento for Dumbarton VA Study Implementation Meeting tomorrow .
